

While we pray that emergencies do not occur at Redemption Chapel, we want to ensure that staff are familiar with the resources and procedures we have in place.

1

AED (Automated External Defibrillator) - device capable of automatically detecting a heart rhythm that requires a shock. If you are around when someone has sudden cardiac arrest, you can follow a few simple steps to **use** an **AED** to save a life

Location: to right of **Bridge** door & outside of **Annex**

Procedure:

1. If person unresponsive, check for breathing (be sure airway open) and pulse
2. Call 911
3. Start CPR if possible - Give 30 chest compressions and then 2 rescue breaths for every 30 chest compressions. The rescue breaths should be no longer than one second. You should compress the chest 2 inches downwards and allow it to fully expand upwards with as few interruptions as possible.
4. Turn on AED (**first, ensure person is not wet**)
 - a. Once turned on, machine will provide instructions
 - b. There is a small bag with scissors and other items that you may need
5. Continue CPR - Once you have given the victim a shock, continue CPR for 2 additional minutes and then let the AED check for a heart rhythm again. Keep this up until emergency services arrive.

2

Safe Zone boxes with pepper spray

Locations: north storage room, south storage room, big room tech booth, worship center tech booth, main office, office annex, hub desk

Procedure:

1. Type in code 6446
2. Open box
3. Pull can out
4. Aim and spray

3

Fire extinguishers

Locations: by north kitchen, south kitchen, big room backstage, near foosball table, hub desk, south atrium, east entrance, south storage room, chair room storage

Procedure: printed on it

4

Medical kit

Location: inside deacon's closets

Contents: very basic. Band-aids, ointment, tourniquet, bug spray, gloves

5

Walkie Talkies

Location: Welcome kiosk

Procedure: channel 3 for kiosk, police, and Kidzone;
channel 2 for parking lot attendants

6

Alarm

Location: Red wall mounted box in various locations

Procedure: When set off, the fire and police are sent. **If set in ERROR**, call 855-502-5276 and give them our account #236D6375 and the code is TACO. They may be calling at the same time. If they beat you to the phone, give them the same info and let them know that it is a false alarm. The call order for the alarm is Jake, Austin and Angela.
